Brian Tilley
Quarry/Mill Manager
United States Gypsum Company
P.O. Box 570160
Sigurd, Utah 84657

MAY 18 1999

Dear Mr. Tilley:

We have completed our review of your plans for a gypsum quarry in Kimball Draw. We have also completed our field surveys for cultural resources and endangered species with negative results. We have no objections to your beginning the development of your Kimball Draw Gypsum Quarry.

If you have any questions, feel free to contact Dean Nyffeler of my staff at (435) 636-3615.

Sincerely,

Richard L. Manus
